

MEMORANDUM OF UNDERSTANDING (MOU)

Metro University, Greater Noida
&
Azisly Technologies Private Limited

This Memorandum of Understanding (hereinafter referred to as the "MOU") is made and entered into on

BETWEEN

Metro University, a higher education institution established under applicable laws of India, having its registered office at [12 A & 12 B, Techzone-IV, Greater Noida, Uttar Pradesh, 201318] (hereinafter referred to as the "Metro University, Greater Noida", which expression shall, unless repugnant to the context or meaning thereof, include its successors and permitted assigns) of the **FIRST PART**;

AND

Azisly Technologies Private Limited, a native AI-driven career readiness platform, having its registered office at [M 1306, Palm Drive, Golf Course Ext Road, Sector 66, Gurugram-122102] (here in after referred to as "Azisly", which expression shall, unless repugnant to the context or meaning thereof, include its successors and permitted assigns) of the **SECOND PART**.

Metro University, Greater Noida and Azisly are here in after individually referred to as a "Party" and collectively as the "Parties."

WHEREAS

1. **Metro University, Greater Noida** is committed to holistic student development, employability enhancement, and preparing students for professional and corporate environments through academic and experiential learning.
 2. **Azisly.ai** is a native AI-based platform that functions as a personalized AI coach for students, supporting their transition from campus to corporate life through AI-powered mock interviews, ATS-aligned resume development, AI-based domain learning and many other AI Coaches.
 3. The Parties acknowledge the growing importance of AI-enabled learning, career readiness, and industry-aligned skill development in higher education.
 4. The Parties desire to collaborate in areas of student career preparedness, subject to mutual agreement and institutional governance frameworks.
 5. **Azisly.ai** also conducts multiple AI Corporate Readiness workshops time-to-time for students to help them become more hands on AI.
-

1. OBJECTIVES OF THE MOU

The objectives of this MOU are:

- a) To establish a collaborative framework between **Metro University Greater Noida** and **Azisly** for enhancing student readiness for corporate and professional careers.
 - b) To expose students to AI-powered tools and methodologies aligned with contemporary hiring and workplace practices.
 - c) To support universities and autonomous colleges in strengthening training, placement, and career development initiatives.
-

2. AREAS OF COLLABORATION

2.1 General Areas

The collaboration may include, but is not limited to:

- AI-enabled student career readiness initiatives
 - Employability and skill enhancement programs
 - Industry-aligned training and placement support
 - Exposure to AI-driven assessment and learning tools
-

2.2 SCOPE OF WORK

The scope of work under this MOU shall be undertaken **only upon mutual agreement** and shall be **jointly planned, coordinated, and administered by both Parties**, and may include the following:

1. Masterclass on "AI Corporate Readiness Workshop"

This masterclass may include:

- Understanding AI's role in modern recruitment and workplaces
- AI-powered mock interview preparation and evaluation
- ATS-aligned resume and profile readiness
- Corporate communication, confidence, and professional presence
- Industry expectations and performance benchmarks

2. Masterclass on "Campus to Corporate"

This masterclass may include:

- Transitioning from academic life to professional environments
- Workplace ethics, corporate culture, and organizational behavior
- Communication, collaboration, and problem-solving skills
- Career planning, adaptability, and professional growth strategies

3. AI-Based Student Enablement Initiatives

Including:

- AI-powered mock interview simulations
- AI-assisted resume development tools
- AI-based domain learning and assessment modules

4. Distribution and Access to Azisly Native AI Platform

Including:

- Providing access to the **Azisly native AI platform** to the Training & Placement Cell / Career Development Cell of **Metro University, Greater Noida**
- Extending platform access to students, cohorts, or batches as identified by **Metro University, Greater Noida**

- Platform usage shall be aligned with institutional policies, data protection norms, and academic objectives

5. Internship and Placement Enablement Opportunities

As part of this collaboration and subject to mutual agreement, **Azisly.ai** may support **Metro University, Greater Noida** in facilitating internship and placement-related enablement opportunities for students. This may include:

- Identification and sharing of internship opportunities sourced through Azisly's industry network, partner organizations, and associated platforms
- Facilitation of student exposure to entry-level roles, project-based internships, live assignments, or experiential learning opportunities, where applicable
- Supporting the Training & Placement Cell / Career Development Cell through pre-internship readiness initiatives, such as interview preparation, resume refinement, and professional skills enhancement
- Coordination of communication and participation processes in consultation with **Metro University, Greater Noida**

It is expressly understood that:

- Internship and placement opportunities shall be facilitated on a best-effort basis and shall not constitute any guarantee of placement or employment
- Final selection, engagement terms, and outcomes shall remain subject to the policies of the hiring organization and the eligibility criteria defined by Metro University, Greater Noida

6. Additional Activities

Any other initiatives mutually identified and agreed upon in writing by both Parties.

***Note:** No activity shall be undertaken unilaterally. All engagements shall be subject to written mutual consent.*

3. ROLES AND RESPONSIBILITIES

3.1 Role of Metro University, Greater Noida,

Metro University, Greater Noida shall:

- Facilitate coordination through the Training & Placement Cell or designated authority
- Enable student participation as per institutional norms
- Nominate an official point of contact for coordination

3.2 Role of Azisly

Azisly shall:

- Design and deliver AI-enabled sessions and tools as agreed
- Provide technical and academic support related to its platform
- Ensure responsible and ethical use of AI technologies

4. TERM AND TERMINATION

4.1 Term

This MOU shall remain valid for **three (3) years** from the date of execution.

4.2 Renewal

Renewable upon mutual written consent.

4.3 Termination

Either Party may terminate this MOU by providing **three (3) months' prior written notice**.

5. CONFIDENTIALITY

Both Parties shall maintain confidentiality of non-public information exchanged during the term of this MOU.

6. INTELLECTUAL PROPERTY

- Pre-existing IP remains the property of the respective Party
 - Jointly created IP shall be jointly owned unless otherwise agreed
 - Student-created IP shall be governed by separate agreements, where applicable
-

7. GOVERNING LAW AND DISPUTE RESOLUTION

This MOU is based on mutual cooperation and shared objectives. Any matter relating to the interpretation, execution, or operation of this MOU shall be resolved through mutual consultation and consensus between the Parties, without recourse to formal dispute resolution mechanisms.

ANNEXURE A
