# METRO UNIVERSITY

Metro Group of Hospitals stand today as one of India's most leading and respected names in advanced tertiary and quaternary care. Founded in 1997, it has established a culture of transparency, ethics, and outcome-focused care long before they became industry norms.

Now, Metro University is the extension of this legacy, transitioning from a centre of clinical excellence to a global hub for academic inquiry and research. Recognizing that modern societal and economic challenges require interdisciplinary knowledge, ethical leadership, and innovation-driven education, Metro Group has established a multidisciplinary university that imparts education in academic domains of foundational sciences, management, technology, and mass communication.

Supported by our expansive 40-Acre campus, substantial & tangible infrastructure, Metro University will adopt a learner-centric and interdisciplinary approach, emphasising critical thinking, problem-solving, communication skills, and experiential learning. Education will be outcome-based, flexible, and inclusive, enabling students to combine disciplines and pursue personalized academic pathways.

The University will offer deep integration between education, research, and industry practice. Equally significant is the opportunity to engage in global academic partnerships. The University is conceived as an open and collaborative ecosystem, actively encouraging Memoranda of Understanding with reputed international universities, research institutions, and global health organizations. Such partnerships will support faculty mobility, joint research, co-teaching initiatives, and international academic visibility.

TRUSTED EXCELLENCE.  
TRANSFORMING LIVES.

# THE LEGACY BEHIND THE UNIVERSITY

Metro University is founded by

## **Dr. (Prof.) Purshotam Lal**

Padma Vibhushan & Padma Bhushan awardee, and India's most decorated interventional cardiologist. Named the Father of Interventional Cardiology in India, Dr. Lal has pioneered over 20 first-of-their-kind cardiac procedures – several of them world firsts.

In 1997, he established Metro Group of Hospitals with a single institute serving heart patients. Today, Metro Group spans 12 hospitals across North India – Noida, Delhi, Faridabad, Meerut, Rewari, Jaipur, Haridwar and Vadodara – with an international presence in Oman and Cambodia, backed by 1,200+ doctors and a legacy of serving over 85 lakh patients.

Education has been part of Metro's mission since 2010, through Metro College of Health Sciences & Research (MCHSR) in Greater Noida. Metro University is the natural evolution of that commitment – a full, multi-disciplinary university built on the same foundation of rigour, industry alignment, and public service that has defined Metro Group for nearly three decades.

At Metro Hospitals, we adopt every patient as a family member the moment they walk through our doors. At Metro University, we extend the same commitment to every student—providing a nurturing environment, personalized guidance, and unwavering support to help them realize their aspirations and build a successful future.

Established Education Ecosystem

# Metro College of Health Sciences & Research

Metro's commitment to education is anchored in the success of the Metro College of Health Sciences & Research (MCHSR), established in 2010. Over 15+ years, the institution has developed into a recognised centre for Nursing, Pharmacy, and Paramedical education, **offering 20+ programs across undergraduate, postgraduate, and diploma levels.**

MCHSR operates with strong academic governance, modern infrastructure, and direct clinical exposure through the Metro hospital network—providing students with practical, hands-on training aligned with industry needs. Graduates from Metro's education ecosystem have been successfully placed across leading healthcare and industrial organisations in India and abroad, reflecting a strong track record of career readiness.

## 15 years of academic excellence through Metro College of Health Sciences & Research, with over 3,000 alumni.

## MESSAGE FROM **CHANCELLOR**

### **Dr. (Prof.) Purshotam Lal**

Padma Vibhushan, Padma Bhushan &  
Dr B. C. Roy National Awardee

**Founder & Chairman**, Metro Group of Hospitals  
**Chancellor**, Metro University

- ⚙ Introduced 20+ cardiac procedures in India
- ⚙ Creator of affordable quality care
- ⚙ Most experienced & decorated cardiologist of the Country

Metro University is built on a simple belief—that education must evolve with the world it serves. Over the years, my journey in healthcare has reinforced one truth: knowledge, when combined with innovation and purpose, has the power to transform lives.

In past 35 years, I have had the opportunity to contribute to advancing cardiac care in India, including the introduction of more than 20 groundbreaking procedures in the country. These experiences have shaped a deep understanding of what it takes to build systems that create meaningful and lasting impact.

Metro University carries this commitment into education by putting students at the centre of everything we do—offering practical, interdisciplinary learning that connects directly with real-world opportunities. Our focus is to help every student build strong academic foundations, develop sound judgment and responsibility, and graduate confident, capable, and ready for the future.

This belief continues to guide our approach—whether in healthcare or education—where the ultimate goal is to create value in people's lives.

***“I invite you to be a part of this journey of growth,  
learning and transformation...”***

## MESSAGE FROM **VICE-CHANCELLOR**

### **Dr Rajesh Pathak**

Vice Chancellor, Metro University

Situated in the heart of NCR's educational hub, Metro University is committed to fostering excellence in teaching, research and professional education. The University is being developed as a multidisciplinary learning environment where students can pursue undergraduate, postgraduate and doctoral programmes across future-focused academic domains.

At Metro University, we believe that modern education must evolve with changing technological, professional and societal needs. Our academic approach moves beyond traditional classroom-bound and teacher-centric methods. We aim to create a more holistic, student-centred and technology-enabled learning experience that encourages curiosity, critical thinking and practical application.

The University's academic philosophy is built around four important pillars: active learning, learning beyond the classroom, education for professional readiness and career skills development. Through interactive teaching, experiential learning, mentoring, projects and industry exposure, we aim to prepare students for meaningful academic and professional journeys.

Beginning with the academic session 2026-27, Metro University will align its undergraduate framework with the vision of the National Education Policy 2020. This approach supports holistic and multidisciplinary education while encouraging flexibility, creativity, ethical development and lifelong learning.

Our goal is to create an academic environment where students are empowered to explore ideas, build capabilities and prepare themselves for the future. I welcome students, parents, faculty members and partners to the Metro University family. I am confident that your association with this University will be a meaningful and enriching experience.

**“Committed to Academic Excellence, Innovation  
and Nation Building.”**

# WHY METRO UNIVERSITY

Metro University offers a future-focused learning environment that combines academic excellence with real-world exposure—designed to help students **build clear, confident, and successful career pathways**.

## ○ Career-Focused Learning Approach

The curriculum is designed to go beyond theoretical knowledge, with a strong emphasis on skill development, practical learning, and industry relevance—ensuring students graduate with clarity and career readiness.

## ○ Industry-Integrated Learning

Students gain exposure through case-based learning, live projects, and interaction with industry professionals, enabling a deeper understanding of real-world challenges and solutions.

## ○ Strong Legacy & Education Ecosystem

Built on over 28 years of Metro Group's excellence and supported by the established Metro College of Health Sciences & Research (MCHSR), the university benefits from a proven foundation in both healthcare and education.

## ○ Robust Industry Connect

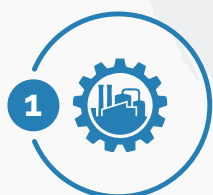

Metro University engages with leading organisations such as Infosys, TCS, Wipro and other reputed companies, creating opportunities for:

Internships | Live projects | Industry exposure | Structured career pathways

## ○ Hands-on Training & Practical Exposure

From the early stages of the program, students are engaged in practical learning through lab work, field exposure, and industry-linked training modules—ensuring a strong application-based understanding.

## WHERE EDUCATION MEETS REAL-WORLD EXPERIENCE

1 Industry-aligned curriculum designed for evolving careers

2 Strong integration with healthcare, business and technology ecosystems

3 Backed by 15+ years of proven education excellence through MCHSR

4 Focus on innovation, research and entrepreneurship

5 Global outlook with emphasis on ethics & societal impact

# INTERNSHIP-TO-CAREER PATHWAY

A structured approach supports students across every stage of career development

## DEDICATED PLACEMENT ASSISTANCE & CAREER SUPPORT

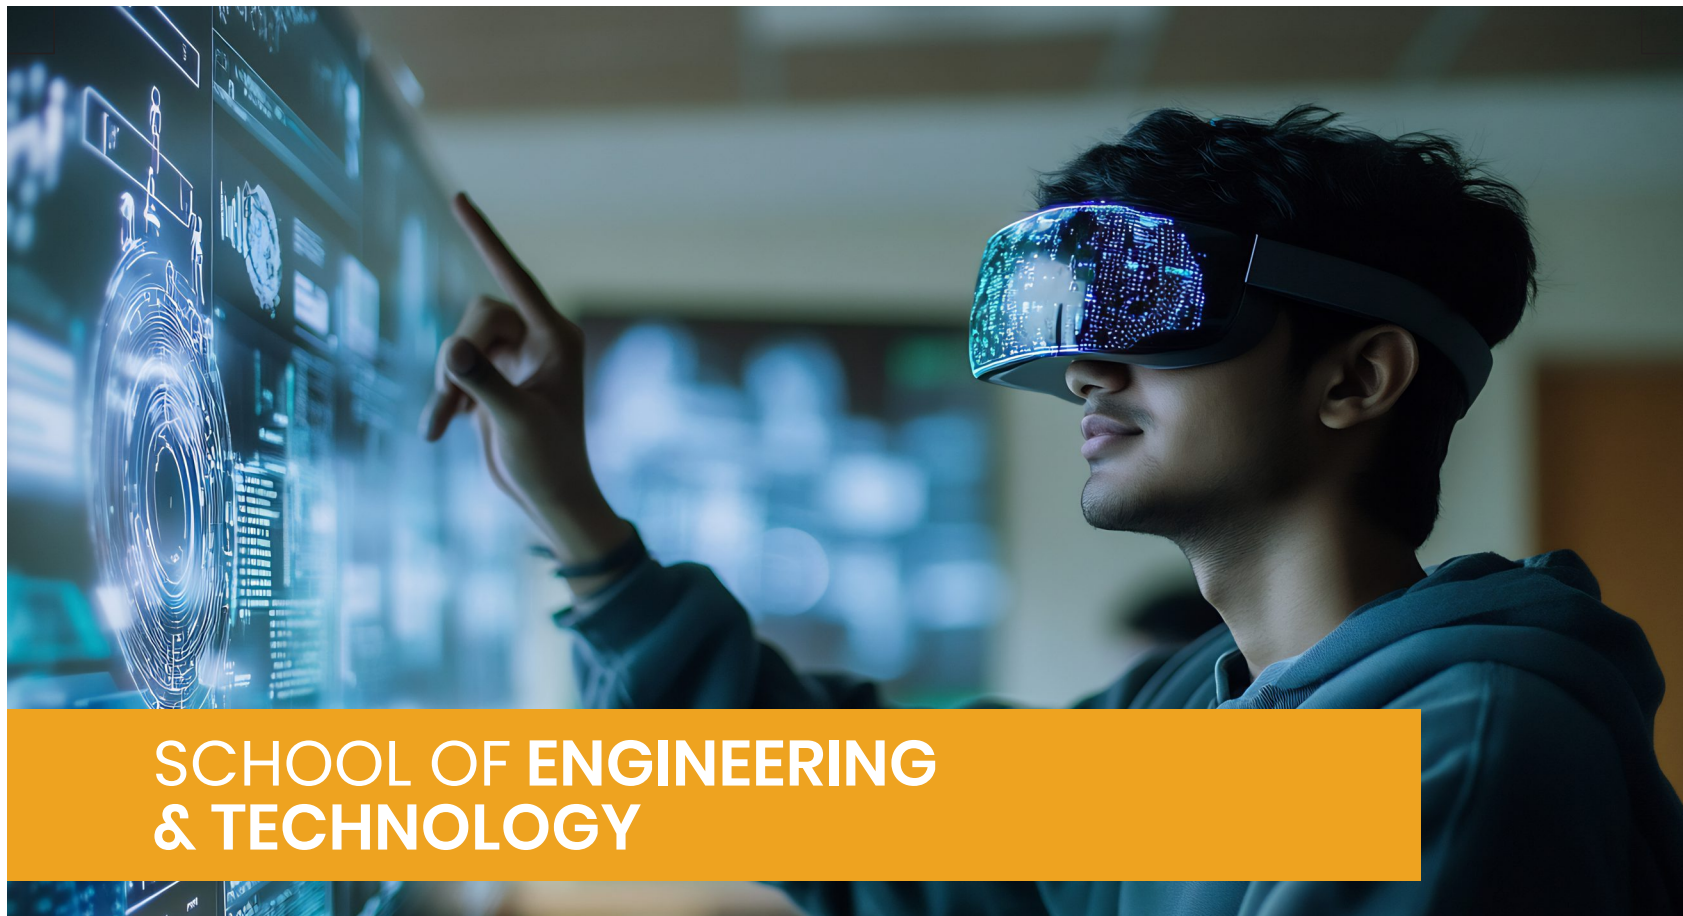

Metro University is committed to providing structured placement support and career guidance to students through training, industry interaction, and skill development initiatives—maximising employment opportunities.

## GLOBAL OUTLOOK WITH ETHICAL FOUNDATION

The academic approach integrates global perspectives with strong ethical values, preparing students to contribute responsibly in professional and societal contexts.

***“Designed for Learning.  
Built for Careers.”***

# SCHOOL OF ENGINEERING & TECHNOLOGY

The **School of Engineering & Technology** prepares students for careers in computing, engineering, digital innovation and emerging technologies. The programmes combine academic learning with practical exposure, technical skill-building and industry-relevant applications.

## Programmes Offered

Level	Programmes
Undergraduate	B.Tech, BCA
Postgraduate	MCA

## Departments

- Department of Computer Science and Engineering
- Department of Artificial Intelligence & Machine Learning
- Department of Robotics
- Department of Cyber Security
- Department of Internet of Things
- Department of Data Science
- Department of Computer Applications
- Department of Information Technology

### B.Tech (Artificial Intelligence and Machine Learning)

Duration:	4 Years   8 Semesters
Total Fee:	₹6,54,100
Eligibility:	10+2 with minimum 60% marks, including Physics, Chemistry and Mathematics

### B.Tech (Computer Science and Engineering)

Duration:	4 Years   8 Semesters
Total Fee:	₹6,54,100
Eligibility:	10+2 with minimum 60% marks, including Physics, Chemistry and Mathematics.

### B.Tech (Data Science)

Duration:	4 Years   8 Semesters
Total Fee:	₹6,54,100
Eligibility:	10+2 with minimum 60% marks, including Physics, Chemistry and Mathematics

### B.Tech (Cyber Security)

Duration:	4 Years   8 Semesters
Total Fee:	₹6,54,100
Eligibility:	10+2 with minimum 60% marks, including Physics, Chemistry and Mathematics.

### B.Tech (Information Technology)

Duration:	4 Years   8 Semesters
Total Fee:	₹6,54,100
Eligibility:	10+2 with minimum 60% marks, including Physics, Chemistry and Mathematics.

### B.Tech (Internet of Things)

Duration:	4 Years   8 Semesters
Total Fee:	₹6,54,100
Eligibility:	10+2 with minimum 60% marks, including Physics, Chemistry and Mathematics.

### B.Tech (Robotics)

Duration:	4 Years   8 Semesters
Total Fee:	₹6,54,100
Eligibility:	10+2 with minimum 60% marks, including Physics, Chemistry and Mathematics.

### Bachelor of Computer Applications (BCA)

Duration:	3 Years   6 Semesters
Total Fee:	₹3,15,600
Eligibility:	10+2 with minimum 55% marks, including Maths / Computer Science / Informatics Practice / Computer Applications / Multimedia & Web Technology / Data Management Application / Web Application / IT / Artificial Intelligence.

### Master of Computer Applications (MCA)

Duration:	2 Years   4 Semesters
Total Fee:	₹2,47,100
Eligibility:	BCA / B.Sc. (IT) with minimum 50% aggregate, or B.Tech with minimum 50% aggregate, or any Bachelor's degree with minimum 50% aggregate and Mathematics as a subject.

## Learning Focus

Computer Science and Engineering	Artificial Intelligence and Machine Learning
Data Science	Cyber Security
Information Technology	Internet of Things
Robotics	Computer Applications
Programming	Lab-based learning
Problem-solving	

## Career Pathways

Students from the School of Engineering and Technology may explore career opportunities in:

AI Engineer	Machine Learning Engineer
Data Scientist	Cloud Architect
Cybersecurity Analyst	Robotics Engineer
Automation Specialist	IoT Solutions Architect
Big Data Architect	Drone Systems Engineer

# SCHOOL OF BUSINESS & COMMERCE

The School of Business and Commerce develops future-ready professionals in management, commerce, finance, analytics, entrepreneurship and business leadership. The programmes are designed to combine business fundamentals with practical exposure and industry-focused learning.

## Programmes Offered

Level	Programmes
Undergraduate	BBA, B.Com (Hons)
Postgraduate	MBA, M.Com

## Departments - Department of Management • Department of Commerce

 <b>Bachelor of Business Administration (BBA)</b>	
Duration:	3 Years   6 Semesters
Total Fee:	₹3,45,600
Eligibility:	10+2 with minimum 55% marks.
<b>Specialisations / Tracks:</b> Business Analytics & Artificial Intelligence   Healthcare & Hospital Management   Entrepreneurship & Start-up Management   FinTech & Financial Management   Digital Business & E-Commerce	

 <b>Master of Business Administration (MBA)</b>	
Duration:	2 Years   4 Semesters
Total Fee:	₹3,37,100
Eligibility:	Graduation from a recognised university with minimum 50% marks
<b>Specialisations / Tracks:</b> To be selected as per university offering.	

## Bachelor of Commerce (Honours) [B.Com (H)]

Duration:	4 Years   8 Semesters
Total Fee:	₹3,00,600
Eligibility:	10+2 with minimum 55% marks.

## Master of Commerce (M.Com)

Duration:	2 Years   4 Semesters
Total Fee:	₹2,27,100
Eligibility:	B.Com with minimum 50% marks.

### Learning Focus

Business fundamentals	Commerce
Finance	Accounting
Business Intelligence and AI	Healthcare and Hospital Management
Entrepreneurship	Start-up Management
FinTech	Digital Business
E-Commerce	Analytics
Case-based learning	

### Career Pathways

Students from the School of Business & Commerce may explore career opportunities in:

Business Analyst	Business Intelligence Analyst
Healthcare Administrator	Entrepreneur / Start-up Founder
Financial Analyst	FinTech Associate
E-Commerce Executive	Digital Marketing Executive
Brand Strategist	Marketing Manager

# SCHOOL OF JOURNALISM AND MASS COMMUNICATION

The School of Journalism and Mass Communication prepares students for careers in journalism, digital media, communication, content creation, advertising, public relations and media production. The programmes focus on communication skills, storytelling, digital platforms and practical media exposure.

## Programmes Offered

Level	Programmes
Undergraduate	BA (JMC)
Postgraduate	MA (JMC)

## Discipline / Learning Area - Journalism and Mass Communication

 <b>Bachelor of Arts (Journalism &amp; Mass Communication) BA (JMC)</b>	
Duration:	3 Years   6 Semesters
Total Fee:	₹3,45,600
Eligibility:	10+2 with minimum 50% marks.

 <b>Master of Arts (Journalism &amp; Mass Communication) MA (JMC)</b>	
Duration:	2 Years   4 Semesters
Total Fee:	₹2,42,100
Eligibility:	Graduation from a recognised university with minimum 50% marks.

## Learning Focus

Journalism	Reporting
Media Writing	Editing
Digital Media	Advertising
Public Relations	Corporate Communication
Content Strategy	Media Production
Social Media Communication	Media Research
Communication Ethics	

## Career Pathways

Students from the School of Journalism & Mass Communication may explore career opportunities in:

Multimedia Journalist	Digital Anchor
Content Creator	Social Media Manager
Brand Strategist	Digital Campaign Manager
Corporate Communication Officer	SEO Specialist
Scriptwriter / Video Producer	OTT Platform Manager

# MERIT SCHOLARSHIPS FOR GRADUATE PROGRAMMES

## Merit Scholarships

At Metro University, we believe that excellence deserves recognition. Scholarships are not merely financial assistance; they reflect our commitment to nurturing merit, rewarding academic achievement and empowering future-ready students.

Eligible students applying for Undergraduate programmes may be considered for merit scholarships based on their Class XII performance, subject to the University Scholarship Policy and document verification.

Class XII Score	Tuition Fee Waiver*
90% and above	100%
85% and above	50%
75% and above	25%

## Continuation of Scholarship\*

Scholarships will be granted on an annual basis. Continuation of scholarship in subsequent years of the programme will be governed by the University Scholarship Policy.

## Founding Scholars Merit Scholarships

Limited Opportunity. Merit-Based Selection. Apply Early.

To celebrate talent and inspire academic excellence, Metro University invites exceptional students to become part of an exclusive cohort of Founding Scholars.

This is more than a scholarship. It is an opportunity to join a community of achievers, innovators and future leaders at the beginning of Metro University's academic journey.

The first five eligible and admitted meritorious students in every programme shall be offered a 100% tuition fee waiver in the first year, subject to verification of academic credentials, fulfilment of programme-specific eligibility criteria and completion of admission requirements.

## Who Can Apply?

- Students with strong academic credentials
- High achievers with leadership potential
- Aspirants demonstrating excellence in academics, innovation, sports, arts or co-curricular achievements
- Candidates meeting programme-specific eligibility criteria

Applicable for students with Class XII results from 2026 or 2025, subject to eligibility, document verification and approval by the Scholarship Committee.

## Scholarship of Social Welfare Department

The Social Welfare Department, Government of Uttar Pradesh, invites applications every year for scholarships for eligible SC, ST and OBC candidates of Uttar Pradesh pursuing higher studies in universities and colleges.

Details of the scheme are available on the Uttar Pradesh Social Welfare Department website:

[www.upscholarship.gov.in](http://www.upscholarship.gov.in)

Each scholarship and award will be operated as per the terms and conditions attached to the respective scheme. Students fulfilling the eligibility conditions may seek assistance from the University administration.

### Terms & Conditions for Scholarship Continuation\*

- Scholarships apply to tuition fees only.
- Students can avail only one category of scholarship at a time.
- Original marksheet must be submitted by 31st October of the admission year.
- Final approval rests with the Scholarship Committee after document verification.
- Continuation of scholarship in subsequent years will be subject to the University Scholarship Policy.

# BUILT FOR LEARNING, EXPERIENCING & GROWTH

Metro University offers a modern, well-equipped campus environment designed to support academic excellence, practical learning, and overall student development. The infrastructure integrates advanced facilities with a student-centric approach, ensuring a balanced and enriching university experience.

## Computer & Production Labs

State-of-the-art laboratories equipped with advanced technology, specialised software, and modern equipment provide hands-on learning experiences across disciplines. These facilities support practical training, experimentation, and innovation, enabling students to develop real-world skills.

## Library & Research Centres

A well-resourced library with access to academic materials, digital databases, and research publications supports continuous learning and academic growth.

## Hostel & Student Living

Comfortable and secure accommodation options are available through off-campus hostels, offering essential amenities such as Wi-Fi, study spaces, and meal facilities. The environment is designed to support independent living while ensuring convenience and safety.

## Clubs & Student Engagement

A vibrant campus life is supported through a range of student clubs, including cultural, academic, sports, and hobby-based groups. These platforms encourage creativity, leadership, collaboration, and personal growth beyond academics.

## Health Services

Metro University has its own Metro Hospitals in Sector -11 & 12, Noida to take care of Health issues to serve students, teachers, employees, officers, guests and their family members. A separate building has been allotted for this purpose where some beds with saline and oxygen facilities are available. Further, the University possesses an Ambulance with basic facilities in case of emergency to transfer patients to nearby hospitals.

## Bank and Post Offices:

The University caters adequately to the requirements of the students, scholars and faculty with in- campus SBI branch and Post office during university hours. There is also ATM facility in the university campus.

## Games & Sports:

Comprehensive sports facilities, including indoor and outdoor infrastructure, promote physical fitness, teamwork, and overall well-being. Students have access to fitness centres, sports grounds, and recreational spaces.

# PLACEMENT CELL

The Metro University Placement Cell plays a vital role and is gradually becoming a key cell of the University. The competition for employment is increasing every day and the task of placement is becoming a challenging one. The Placement Cell facilitates campus recruitment drives through

1. Organizing various development activities that help in personality grooming of the students and provides them platforms to express themselves and enhance their soft skills.
2. Organizing different job-oriented training programs by the reputed organizations.
3. Arranging winter/summer training programs for students .
4. Inviting various organizations for campus recruitment.

## Proven Placement Track Record

and other reputed organisations in India and abroad.

## Strong Academic-Industry Engagement, Internship & Placement Collaboration

And many more.

# Admission Process Steps

## Step 1: Explore Programmes

Review the programmes offered across:

- **School of Engineering & Technology**
- **School of Business & Commerce**
- **School of Journalism & Mass Communication**

Students are advised to review the programme details, duration, eligibility, fee structure and career pathways before applying.

## Step 2: Check Eligibility

Read the programme-wise eligibility criteria carefully before starting the application.

## Step 3: Fill the Form

Complete the online application form with accurate personal, academic programme and other details. Applicants should ensure that all submitted information matches their academic documents and identity proof.

## Step 4: Pay Application Fee

Submit the application fee of INR 1,100 through the approved payment process. The application will be processed only after the successful submission of the form and the applicable application fee.

## Step 5: Entrance Test, Counselling and/or Personal Interview

Admission is subject to the applicable entrance process (CUET, MUET, or other recognised criteria), followed by document verification and a Personal Interview, as per University guidelines. Applicants will be guided through the process by the admissions team.

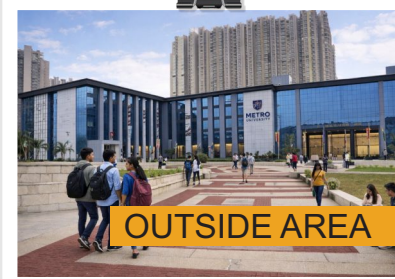

## Step 6: Document Verification

Applicants must submit the required academic documents, identity proof and certificates for verification. Admission remain provisional subject to successful verification of eligibility and documents as per University norms.

## Step 7: Admission Confirmation

Admission will be confirmed after completion of the entrance/counselling process, document verification, and fee formalities, as per University guidelines. Final enrolment is subject to submission of required documents and payment of applicable fees.
